In some cases, the unique nature of Cruisetour groups requires the application of guidelines different from those that apply to cruise only groups. The following paragraphs describe those different guidelines. Except for the differences described below, the above referenced Group Guidelines apply to Cruisetour groups as well. Individual Group Size – A Cruisetour group has the same minimum size requirements as cruise only groups (eight (8) staterooms and sixteen (16) guests at double occupancy). However, the maximum number of guests that can be booked for a Cruisetour group is twenty (20) staterooms and forty (40) guests. If number of guests booked for a Cruisetour group is above sixteen (16) staterooms and thirty-two (32) guests, the Cruisetour group will be a deposit group. For any Cruisetour group in excess of twenty (20) staterooms and forty (40) guests, a written contract will be required. Per sailing limit- If every member of a group is purchasing the same Cruisetour package, a single Cruisetour group booking will be created. A Travel Partner may hold only one Cruisetour group on the same tour on the same sailing. If some guests of a group are not purchasing the Cruisetour package two separate group bookings may be created: (a) one for the cruise only guests; and (b) one for the Cruisetour group. Under these circumstances, a Travel Partner may hold one (1) cruise only group and one (1) Cruisetour group on the same sailing. Total Outstanding Cruisetour Groups Limit – At any given point in time, the total number of non-contracted Cruisetour groups that may be held by a Travel Partner cannot exceed the greater of: • Four (4) Cruisetour groups; or • Twice the number of Cruisetour groups that sailed in the immediately preceding four (4) calendar quarters in noncontracted Cruisetour groups booked by that Travel Partner. Final Option Date – Option Lengths- The option periods will terminate at the end of the 180 days from creation or at 180 days from sailing, whichever comes first. • This option period is subject to an inventory review at ninety (90) days from creation when necessary. • Allocated space will have 30 days to name and deposit space. Cruisetoours that are converted to a cruise only reservation within forty-two (42) days of the start date of the tour segment of the Cruisetour will be subject to a cancellation charge. The amount of that charge varies depending on the location of the Cruisetour and/or its length. Itineraries subject to change without notice. ©2020 Celebrity Cruises Inc.
