GO BEYOND HORIZONS.

To fully experience Alaska, discover its interior, where communities remain intimately connected to the land, where wild animals roam as they have for millennia and where native nations thrive. On an Alaska cruise, you'll journey along the southeast coastline of Alaska, experiencing its glaciers, nature's ever-changing and fragile masterpieces.

But with a Celebrity Cruisetour, you'll uncover so much more. On the Kenai Peninsula, glacier-covered mountains descend into bays abundant with sea life. Journey north, and you'll travel among the vast tundra and taiga forests of Denali National Park. A single road crosses this untouched wilderness, home to North America's tallest peak and a stunning array of wildlife. Connect with Alaska's Native Peoples and meet city dwellers who are as diverse as the landscapes they inhabit: from cosmopolitan espresso drinkers to anglers and mountaineers, all are part of the fascinating culture that is Alaska.

With a Celebrity Cruisetour, you'll enjoy the best of Alaska, by combining a seven-night sailing along its southeastern coastline with a small-group tour into its magnificent inland destinations. Stay in the finest available lodges and embark on remote roads and railways in deluxe transportation. All with our local Alaskan Tour Directors, who are passionate about sharing their Alaska with you. Every aspect of your journey has been carefully curated for you to discover the Last Frontier — on your terms.

JOURNEYS AS MOVING AS YOUR DESTINATION.

Wilderness Express Rail Cars

With miles of pristine wilderness, the Alaskan cross-country journey is just as moving as the destinations you'll explore. A highlight of every Celebrity Cruisetour is a scenic ride on the Wilderness Express rail cars. Venture from Anchorage to Fairbanks in superior luxury and comfort. Relaxing railcars offer 360-degree dome viewing windows, reclining leather seats, and spacious interiors. Enjoy fine dining prepared by the onboard chef, and full bar service at your seat, while you learn about the wilderness and its rich history from your onboard host who provides commentary. With custom features to optimize sightseeing, like an outdoor viewing platform, the rail cars of the Wilderness Express were designed to highlight Alaska's spectacular scenery

Motorcoaches

Alaska's rugged and remote roads reflect the region's rich pioneer spirit. Celebrity uses the newest fleet of luxury motorcoaches on the interior roads of Alaska, and your dedicated motorcoach will offer supreme comfort while travelling the miles of sublimely beautiful highway. Your dedicated driver is your usher of the great outdoors and ensures point to point luggage conveyance, so you need only unwind into the wilderness.

THE BEST SEA VIEWS IN ALASKA.

A Celebrity Cruise is crafted to be an inspiring space at sea. Immerse yourself in luxury as you experience the breathtaking coastal scenery and glaciers of Alaska. Dining onboard Celebrity Cruises is an experience for all the senses. Our stunning main restaurant, included in the price of the cruise, is the centerpiece of the ship and a masterpiece in design, cuisine, and service. And with specialty restaurants and an array of lounges, there is something to indulge every craving, like traditional Italian cuisine at our Tuscan Grille, where fresh in-house pasta and dry-aged steaks are paired with a discerning wine list that highlights Italian vintages and growing regions.

Exhilarating days of exploring Alaska deserve an equally wonderful place where you can recharge. Indulge in luxurious accommodations where you can unwind after a thrilling day in the Last Frontier. Lounge on exquisite bedding. Revel in stylish design. Bask in breathtaking views. Modern luxury means intuitive service about what will make you happy before you request it – from the chocolate on your pillow to attentive pool butlers ready with a towel after your morning swim. And with our Destination Concierges on hand with in-depth knowledge of the ports of call, you'll have a rich experience when you leave the ship to explore Alaska's unique communities.

Alaska's natural and cultural history is rich and diverse, and our dedicated onboard naturalist, Milos Radakovich, will introduce you to the region's incredible biodiversity, glacial marvels, climate, and clear night skies. Milos is a marine biologist and former researcher at the Moss Landing Marine Laboratories S.R.I. Biosonar Lab. Learn about Alaska's captivating wildlife and geology from a marine biologist who has been featured on NPR and worked with the Lindblad-National Geographic Expeditions in Southeast Alaska.

Listen to a fascinating lecture about Alaska's wonders, or enjoy incredible entertainment

onboard the ship. At all hours, your ship is a fantastic world of drama, music, games, and thrills. Try your hand at the casino, before grabbing a seat for *Boogie Wonderland*, The West End hit 70's musical adapted by the original producers especially for the Celebrity Millennium. On your Celebrity Cruise, pop-up performances surprise and delight throughout the ship — turning every night into the ultimate night out.

Experience an exceptional Alaskan adventure with indulgent dining, luxury accommodations, intuitive service — and the pristine untouched wilderness.

THE WONDERS OF THE COAST.

A Cruise on Alaska's southeastern coastline offers emerald forests, snowcapped peaks and dramatic glaciers. And that's just what you'll see from the ship.

Celebrity Millennium

JUNEAU— Alaska's capital, nestled between the Gastineau Channel and the Coast Mountains, is an ideal jumping-off point for the massive Mendenhall Glacier and the immense Juneau Icefields that are at its back door.

KETCHIKAN— This scenic fishing village has an intriguing history, strong Native culture, and artistic soul — and nature's best wonders as its backyard. Visit the Misty Fjords National Monument and marvel at the astounding sea cliffs, steep fjords, and 1,000-foot waterfalls shrouded in mist.

SKAGWAY— The starting point for the Klondike gold rush, this endearing port of call is flanked by the same snowcapped Coast Mountains that were once the rugged ramparts to the spellbinding goldfields and fortune-bearing creek beds of the Yukon.

VANCOUVER, BRITISH COLUMBIA— Known as the gateway to Alaska, this cosmopolitan port city is blessed with stunning vistas and an exciting urban scene that is dynamic and colourful.

ICY STRAIT POINT— Brimming with adventure, culture, and wildlife, this destination plays host to dozens of options for once-in-a-lifetime adventures — including a ride on the world's largest ZipRider.

ALASKA INSIDE PASSAGE— The narrow glacier-carved waterway along Alaska's southeastern coast weaves through the largest U.S. national forest. Water and wildlife mix nicely in this protected waterway that's home to some 5,000 humpback whales during the summer months.

NATURE'S DRAMA EXPERIENCED DAILY.

Among the many scenic gems on Alaska's southeast coastline, Hubbard Glacier is the most dramatic.

Comprised of the longest river of ice in North America, beginning in Canada and flowing 76 miles to Russell Fjord, the glacier itself originates at Mount Logan, North America's second-tallest mountain. And, while 95% of the world's glaciers are retreating, Hubbard Glacier is still advancing.

As the largest advancing tidewater glacier in North America, Hubbard Glacier's terminal face is the dramatic end of a process that began 450 years ago as snowfall on the slopes of Mount Logan. The blue wall of ice rises 350 feet above the waterline and extends 250

feet below the sea. Movement of up to 36 feet every day results in daily calving—breathtaking moments where ice cleaves off the wall, and can be the size of five-story buildings.

With calving occurring on a daily basis, Hubbard Glacier offers the best opportunity to observe glacial processes as they unfold — a truly once-in-a-life-time experience. Your captain will slowly turn your ship into Yakutat Bay, navigating the awe-inspiring wall of ice. Enjoy incredible picture-perfect views

from just about anywhere on the ship as our dedicated onboard Naturalist narrates the experience and keeps an eye out for the whales, harbor seals, and otters that hunt in the bay's waters. With its massive 7-mile-wide face, and ever-changing wall of ice, Hubbard Glacier lives long in the memory of any visit to Alaska.

WAKE UP EVERY DAY TO NEW ADVENTURES.

Arriving at your destination is just the beginning of the journey. On your Celebrity Cruisetour, you'll enjoy a balance of included experiences and free time to explore on your own. Alaska's ports, protected parks, and wilderness areas offer diverse ways to discover Alaska's culture, cuisine, and sense of adventure. Explore further with Celebrity's Shore Excursions by Cruise and Optional Land Excursions during your Land Tour. From savoring local flavors at your next port of call to once-in-a-lifetime flightseeing journeys over the Alaskan wilderness. These adventures are just a highlight of what is available on your Celebrity Cruisetour.

Helicopter Dog Sled Tour (Alyeska) Fly to an alpine camp and meet your experienced guide who will teach you how to drive a dog sled. Mush along a snow-covered glacier, enjoying spectacular views of this fragile and beautiful river of ice. Drive the sled yourself or, sit back, relax, and enjoy the ride as your expert guides you past the dramatic scenery. Back at camp, bundle up in Iditarod racing gear, including an original bib-number, for a once-in-a-lifetime photo opportunity with the sled dogs. Learn about Alaskan huskies and the legendary Alaska dog mushing Seavey family.

Denali Flyer (Talkeetna) Explore Denali, the tallest mountain in North America, and soar within six miles of the magnificent Kahiltna Glacier. Take in views only mountaineers and a select few get to see. Marvel at once-in-a-lifetime views of Alaska's pristine wilderness on a flightseeing journey above Denali National Park's mountains and glaciers. Fly to the remote western end of Denali National Park and see Denali, Mt. Foraker, and Mt. Hunter, above the longest glacier in Denali National Park. Continue to the climber's base camp at 7,200 feet.

Talkeetna River Float (Talkeetna) Experience a calm and scenic river journey down the Talkeetna River. The Talkeetna River features glacially fed, flat water (Class 1). The water is swift and cold, yet calm and serene to navigate. Your guide will take you down a portion of the river perfect for all ages to enjoy. Admire spectacular views of Denali, keep on the lookout for spawning salmon, and admire freshwater streams along riverbanks draped with magnificent flora and fauna.

Husky Homestead (Denali) Leave the crowds behind and join an intimate group to meet champion sled dogs at the Husky Homestead. Enjoy a personal tour of the homestead kennel of four-time Iditarod champion, Jeff King. Meet the champion sled dogs, cuddle the puppies, and see the summer husky training in action. Gain insight into the training process. Tour the kennel and learn about how puppies become sled dogs. Listen to tales of the Iditarod race and embrace a rich Alaskan tradition.

The featured excursions may not be available on your Alaska Cruisetour departure. Your excursions during your land tour must be booked directly with your Tour Director. For details of Shore Excursions available during your cruise call our UK based call centre on 0800 953 5826 or contact your local Travel Agent.

A Celebrity Exclusive: Misty Fjords Flightseeing and Crab Feast (Ketchikan) Take a once-in-a-lifetime private flight to Misty Fjords National Monument, experience a thrilling water landing, and savor a crab feast at the rustic George Inlet Lodge. Enjoy a lively narrative about the natural history of the area as you fly over the breathtaking Alaskan wilderness. Misty Fjords National Monument is a fully protected wilderness area that encompasses more than 2 million acres. Marvel at granite cliffs, 1,000-foot cascading waterfalls, crystal-clear lakes, and the incredible beauty and grandeur of Alaska. Experience the thrill of a dramatic water landing at the remote George Inlet Lodge, a cannery bunkhouse dating back to the early 1900s. Savor an all-you-can-eat Dungeness crab feast, before taking a coastal drive back to the port.

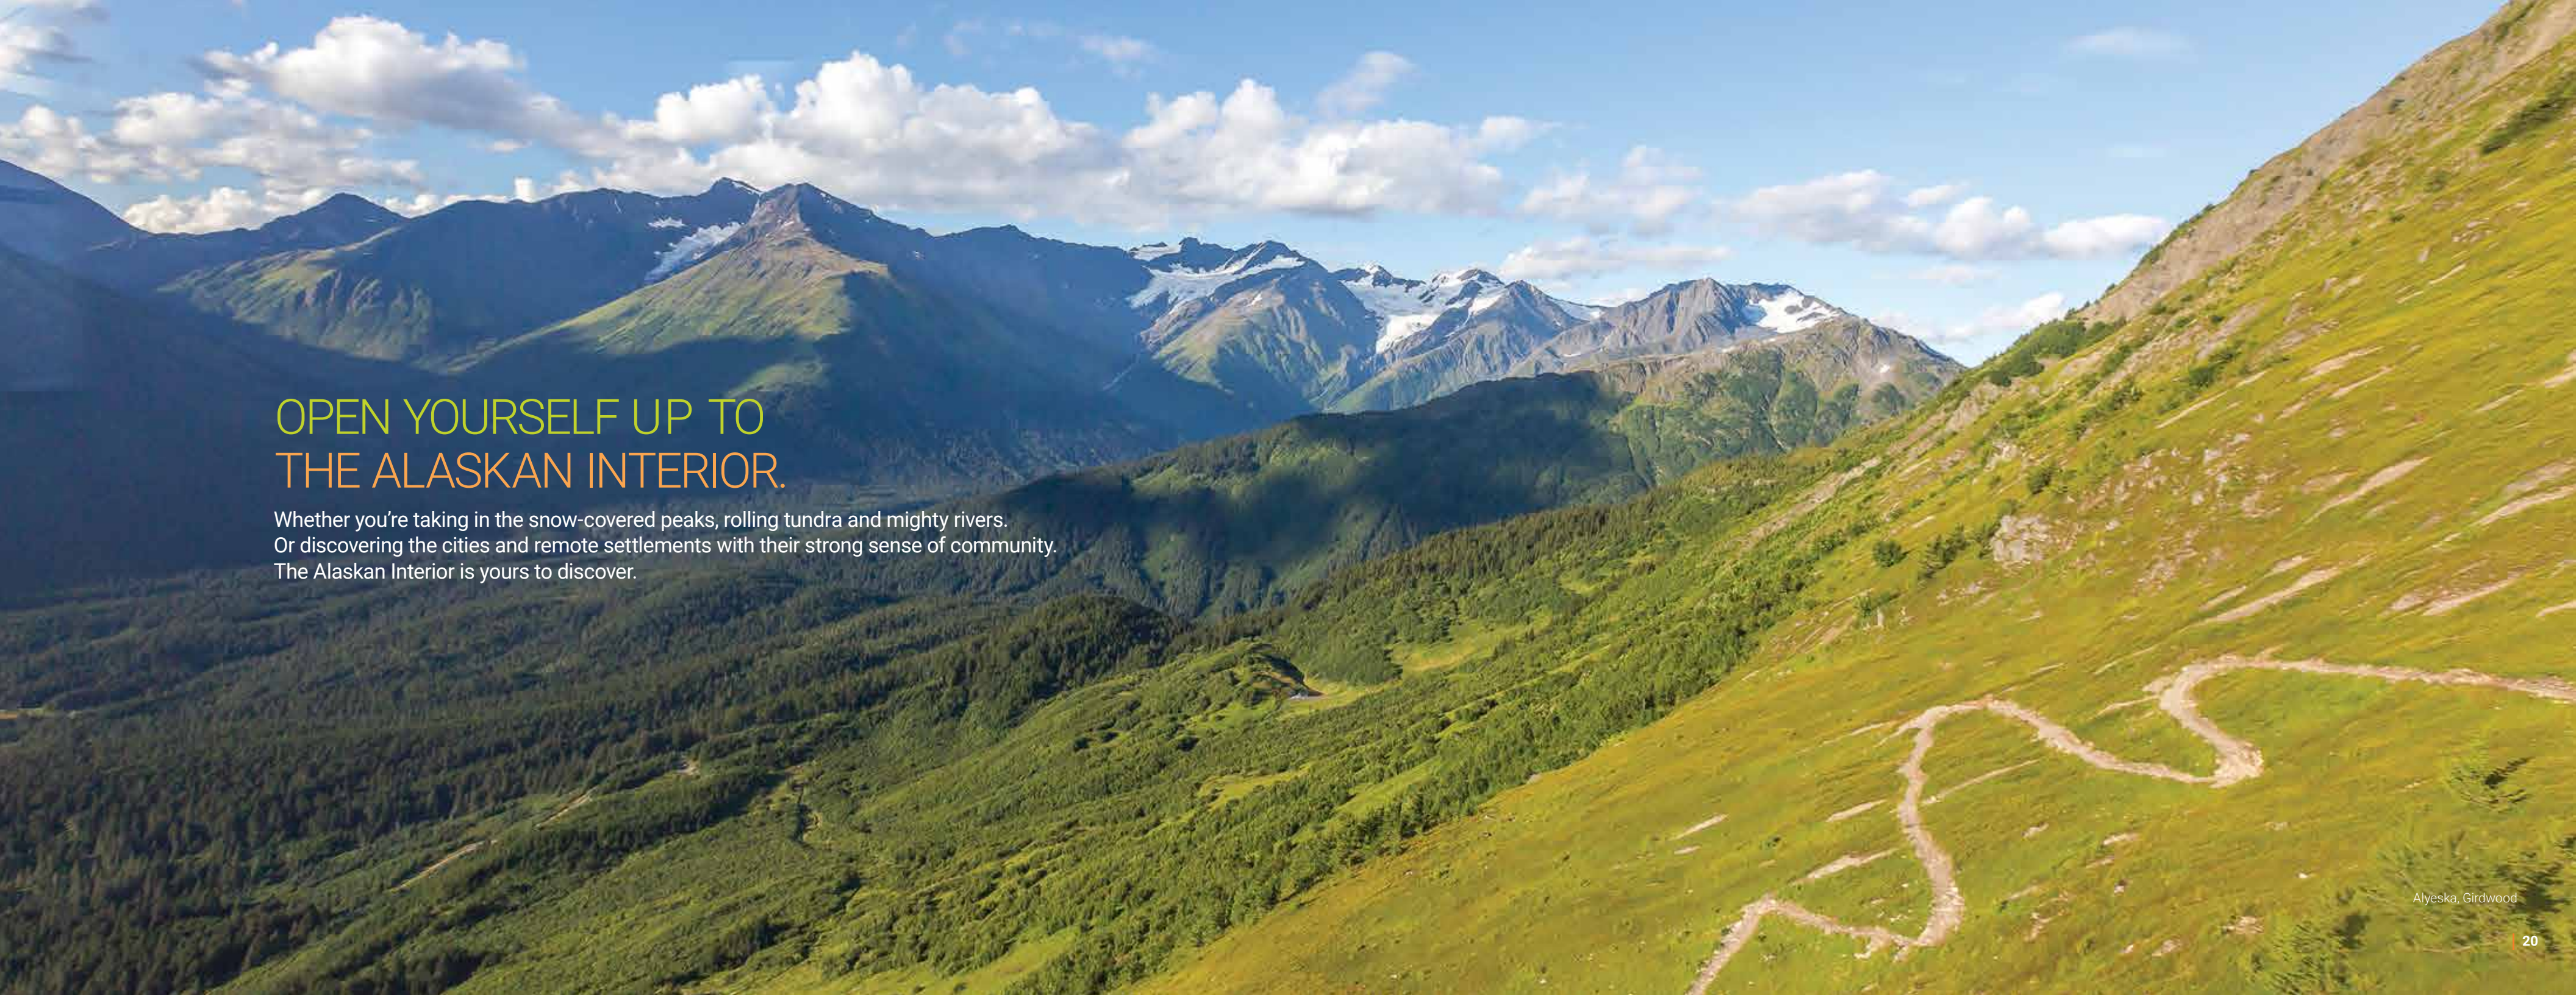

Scenic Mountain Ascent and World's Largest ZipRider (Icy Strait Point) Soar 300 feet above the treetops on a thrilling ZipRider Cable Car Adventure. Begin your journey with a relaxing scenic ride through the village of Hoonah, home to the indigenous Tlingit people. Experience an adrenaline-filled ride on the world's largest zipline. Receive all safety instruction at the launch site. The zipline extends over 5,000 feet across the Alaskan frontier, offering impressive views of the countryside and rainforest landscape below. Feel the heart-pounding rush as you fly over lush forests and hills, with incredible views of Port Frederick and Icy Strait. Reach speeds up to 60 miles per hour before landing at Icy Strait Point.

Taku Lodge Feast and 5 Glacier Seaplane (Juneau) Discover Juneau's dynamic natural scenery and flavors as you embark on a picturesque seaplane ride before savoring an all-you-can-eat Alaskan feast in a cozy lodge. Fly over the lush Tongass National Forest and the massive Juneau Icefield, as your guide spots five enormous glaciers from your window seat. Enjoy guided commentary as you soar over Juneau's spectacular scenery. Land near Taku Glacier, the world's deepest and thickest, where you'll visit Taku Glacier Lodge for a scrumptious meal of grilled wild Alaskan King salmon and plenty of side dishes.

Alaska Brewing, Mendenhall Glacier, and Cooking Demonstration (Juneau) Embark on a thrilling journey to the Alaska Brewery, walk across the breathtaking Mendenhall Glacier, and learn how to prepare authentic Alaskan cuisine at the Chez Alaska Cooking School. Journey to the Alaska Brewery and enter the tasting room, where you'll view the brewing process and sample some of the beers brewed in Juneau, celebrated as some of the best beers in the world. Next, head off to Mendenhall Glacier, where you can walk along its trails or learn about glacial processes at the visitor center. Finally, you'll conclude this fun-filled day by learning how to prepare authentic Alaska dishes with the head chef of Chez Alaska Cooking School. Learn culinary secrets and sample the chef's creations.

OPEN YOURSELF UP TO THE ALASKAN INTERIOR.

Whether you're taking in the snow-covered peaks, rolling tundra and mighty rivers.
Or discovering the cities and remote settlements with their strong sense of community.
The Alaskan Interior is yours to discover.

DENALI

With few established trails and only one road, Denali National Park remains one of the world's last true wilderness areas.

Denali National Park boasts six million acres of pristine wild land. The varied subarctic landscape is home to grizzly bears, moose, caribou, Dall sheep and wolves, as well as endangered birds. Wild animals roam as they have for millennia through unspoiled backcountry of taiga forest, alpine tundra, and snow-capped peaks. The sheer expanse of wilderness, the solitude of Denali National Park's single road, and its status as one of the last true intact subarctic ecosystems, makes Denali one of the best places in the country to view wildlife in their natural habitat. The Visitor Center offers fascinating natural history exhibits, films, and the opportunity to meet and speak to rangers about Denali National Park, including its centerpiece Denali, known as The Great One. Towering at 20,320 feet, Denali is North America's highest mountain, and still growing. Risen from an elevation of just 2000 feet., the four miles she towers into the sky overpowers the already impressive Alaska

Mountain Range that surrounds her. An untrammled view on a clear day is a profound sight.

The highly protected backcountry that makes up the majority of the park is cleaved only by a solitary road that runs 92-miles into the wilderness and stretches thorough bottomland taiga-subarctic evergreen forests, into the higher elevations that offer open views of the tundra-covered slopes and river valleys, all framed by the indomitable Alaska Range. And, while the backcountry's pristine wilderness is protected to endure, Denali's front-country is an amphitheater of the outdoors. Flight sightseeing planes soar over the mountains for breathtaking views, while rafting on the Nenana River can be a gentle float or a white-water ride. With the hinterland open to bike ride, off-road, or hike, Denali National park offers both active adventure and the protected and pristine wilderness.

TALKEETNA

Talkeetna's frontier spirit, rustic small-town charm, and breathtaking views of the snow-capped peaks of the Alaska Range are the embodiment of Alaskan hospitality and remote wilderness.

ANCHORAGE

Perched on the edge of the wilderness, nestled between Cook Inlet famous for its king salmon run and the Turnagain Arm, is the city of Anchorage.

Among climbers, Talkeetna is recognized as the staging ground for preparations to summit Denali. Mountaineers from around the world start here, filling the town's hotels and bars with expedition excitement. With a population of under 1,000, Talkeetna's locals keep the backcountry spirit of Alaska alive. Located literally at the end of the road, the log cabin cafés, gold-rush-era historic district, and Main Street provide a place where you can mill with the bohemians, aviators, and adventurers who call the town home, including Stubbs, the feline honorary mayor.

Situated near the base of Denali for over one hundred years, the unique location offers

breathtaking views of the tallest peak in North America and provides every imaginable way to experience the overpowering magnificence of "The Great One" — from seasoned bush pilots taking you up into the skies and over the breathtaking north face, to leisurely hikes on quiet trails, to river rafting down the glacially fed Talkeetna river.

With Main Street running the scope of backcountry cuisine — from brew pubs to fine dining to converted air streams serving namesake signature dishes — and teeming with eclectic personalities, you'll see Talkeetna lives by her unofficial motto, 'Talkeetna; Where the road ends and life begins.'

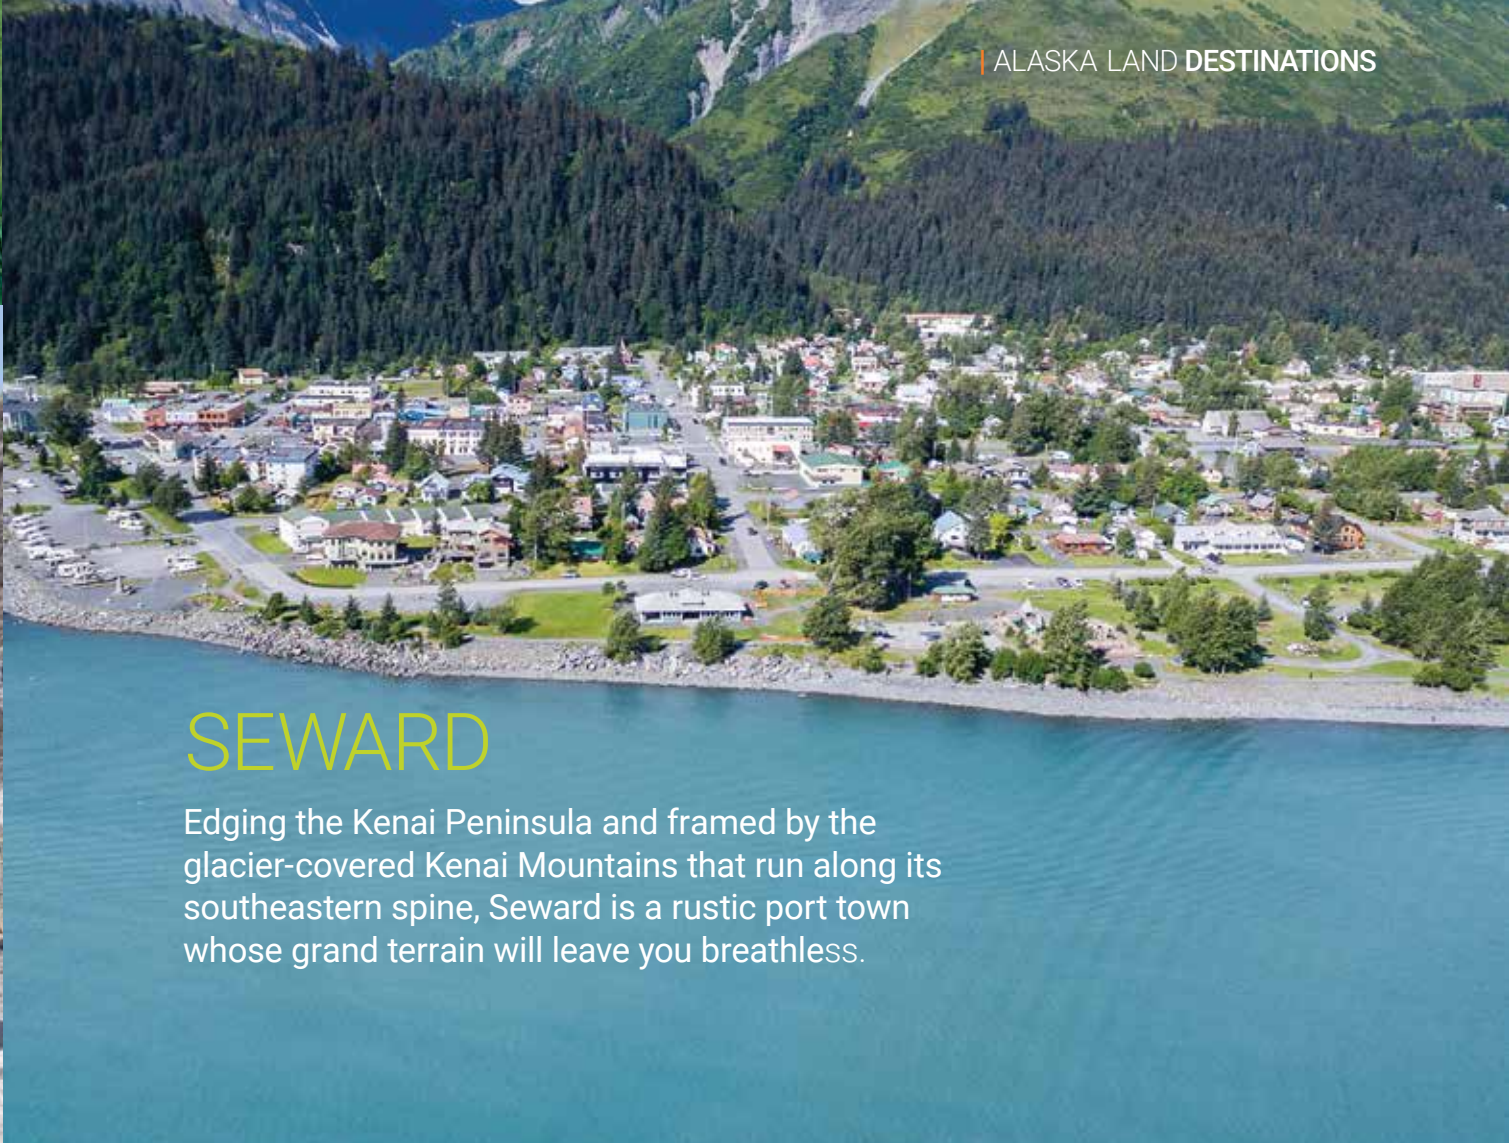

Blending cosmopolitan excitement and the great outdoors, the city's youthful exuberance contributes to its lively nightlife, eclectic dining, and sense of adventure.

Beyond the city limits of 'Alaska's Big Apple,' nature commands the terrain. As many as 60 glaciers are located within an hour's drive. Urbanites can often be found hiking beside their crystal-clear blue walls by day, and by night under the late evening sun, socializing at a downtown brewery and enjoying local craft beer. And even on weekdays it's not uncommon to find a suited city worker angling for a catch on a lunch break.

With 250 miles of trails within the city alone, and moose known to pass through city neighbourhoods, or even whales surfacing in the waters along the Tony Knowles Coastal

Trail, Anchorage's long summer days mean more time to explore its natural beauty by day and sample the all-embracing culinary fare long into the evening.

Anchorage has long been known as a melting pot for the Native Peoples of Alaska and this makes it the destination to discover the native history, art, and crafts that are at the heart of the Alaskan identity. The Anchorage Museum preserves an extensive collection of native art, filling the 'Alaska gallery', spanning prehistoric times to present day. And the Alaskan artifacts at the Smithsonian Arctic Studies Center were curated and interpreted with help from the Alaska Native Heritage Center, a renowned cultural center and an exciting place to connect with indigenous residents who still call Alaska home.

SEWARD

Edging the Kenai Peninsula and framed by the glacier-covered Kenai Mountains that run along its southeastern spine, Seward is a rustic port town whose grand terrain will leave you breathless.

The pristine wilderness of the Kenai Peninsula is home to nesting seabirds, countless islands, wetlands, and breathtaking coastal views. And, as the gateway to the Kenai Fjords National Park, the Harding Icefield — an expanse of ice and snow created over 23,000 years ago — is easily within reach and culminates in 40 glaciers that dramatically calve into the sea. The throngs of wildlife that course below, and glide above the glacial waters, are legion. Pods of humpback whales are known to breach when hunting, seals and sea lions lounge on rocky outcroppings and bald eagles hover overhead.

The rugged landscape suits Seward's hardy locals well. Every July 4th, Seward's runners race 1.5 miles up and down Mount Marathon. Starting at sea level, the race rises 3,000 feet

in elevation over very steep terrain. Runners race over gullies, ice, and snow, using their hands to haul themselves to the finish line. And, when not racing up mountains, you can find stalwart locals at city watering holes and dining spots, where you can savor fresh Alaskan seafood, filleted and flayed straight from the ocean to your plate.

Situated at a grand natural intersection where bays and fjords stretching south to the Pacific meet the crested wilderness — and connected to communities extending northwards via the famously scenic Seward Highway — Seward is emblematic of the wildly beautiful state that is Alaska.

FAIRBANKS

Fairbanks is the embodiment of the pure Alaskan spirit, with its gold rush roots, hardy locals, and famed midnight sun.

Born of a turn-of-the-century trader who found himself stranded in what is present-day downtown, Fairbanks was founded when gold was discovered nearby and the trading post blossomed into a thriving city that outlasted its gold rush boom. Today, locals pride themselves on their independence and endurance, many being descended from Native Peoples and the gold rush prospectors whose self-sufficiency was the driving force of the town's conception.

Hugging the northern bank of the Chena River that converges with the unyielding Tanana, the Chena sternwheelers that navigate Fairbanks's waters afford breathtaking views of the city and countryside, while also offering a glimpse into Alaska's rich interior traditions.

Exploring Fairbanks means participating in the day-to-day experiences that have

contributed to Fairbanks referring to itself as 'extremely Alaska'. Immerse yourself in the same Hot Springs where turn of the century gold miners found reprieve from the near-freezing creeks where they panned for gold. Or pan for gold yourself in one of the many creeks that still turn up flakes of gold. Admire the enduring native art treasures on display at the Museum of the North, whose shimmering contours reflect the mountain ranges that encircle it. With the locals playing late into the night, like the midnight sun baseball game held every solstice, your options to explore are as lengthy as the long summer nights. And as the gateway to the Arctic, Fairbanks is rich with the history of Alaska's pioneers, and offers a window into their authentic Alaskan way of life that still exists today.

WHERE TRAVEL ENDS ADVENTURES BEGIN.

A Celebrity Cruisetour offers the ideal balance of included experiences and free time to explore on your own. On every Cruisetour you'll take a narrated wilderness journey into the heart of Denali National Park. And, on selected Cruisetours, you'll have included experiences that showcase the special qualities of every destination. These adventures are just a highlight of what is available.

Riverboat Discovery (Fairbanks) Cruise down the Chena River on the Riverboat Discovery sternwheeler. The family-owned boats have sailed down Fairbanks's Chena River for generations. See a bush floatplane take off beside the boat and learn about the role of these pilots in opening up the Alaskan interior. Visit an authentic Athabascan Indian village and discover native culture. Cruise past the family home of an Iditarod champion to see how the sled dogs are trained. Get out on the water, meet some real Alaskans, and learn what life is like along the banks of the Chena River.

Gold Dredge 8 (Fairbanks) Travel on the narrow gauge Tanana Valley Railroad, where you'll hear tales about prospectors who flocked to this region in the 1800's, hoping to strike it rich. Between 1928 and 1959, Gold Dredge 8 played a key role in the economy of the Tanana Valley. See Gold Dredge 8, a National Engineering Landmark. Learn about the Trans-Alaska Pipeline's importance to domestic oil production. From the oil pipeline to the gold rush — get an up-close look at Alaska's industries. Gold rush history comes alive during a tour of the working mining camp, where you can pan for your own gold nuggets.

Denali Natural History Tour and Tundra Wilderness Tour (Denali) Journey into the highly-protected backcountry of Denali National Park, carved by a solitary road that stretches 92-miles into the wilderness. You'll drive through bottomland taiga-subarctic evergreen forests, into the higher elevations that offer open views of the tundra-covered slopes and river valleys, and enjoy expansive, breathtaking views of the Alaska Range, including Denali, North America's tallest mountain. On the Denali Natural History Tour, venture 17 miles into the park, enjoying interpretive programs and award-winning presentations that showcase how the wild landscape influenced Alaska Natives and inspired early pioneers. Or, explore further with the Tundra Wilderness Tour. Travel to the Toklat River, 53 miles into the park, with more opportunities to see Denali and its incredible wildlife.

Museum of the North (Fairbanks) Admire the enduring native art treasures on display at the Museum of the North, whose shimmering contours reflect the mountain ranges that encircle it. With more than 1.4 million artifacts and specimens showcasing 2,000 years of Alaska history, traditions and art, this cultural beacon is a must-visit for anyone who wants to immerse themselves in the history and culture of this incredible region.

The featured Included Experiences are not available on every Alaska Cruisetour. For details of Included Experiences on your Alaska Cruisetour call 0800 953 5826, or contact your Travel Agent

Alaska Native Heritage Center (Anchorage) Discover the fascinating mosaic of Alaska Native cultures, traditions, and values through celebration and education at Alaska's largest cultural center. Listen to stories of Alaska's native people and learn about Alaska's 11 major cultural groups. Hear authentic native song and watch dance performances. The entertaining and enlightening workshops, demonstrations, and guided tours of the indoor exhibits and outdoor village sites make this one of Anchorage's most-visited attractions.

Alaska Wildlife Conservation Center (Alyeska) The Alaska Wildlife Conservation Center is a nonprofit wildlife refuge that is dedicated to preserving Alaska's wildlife through conservation, education and quality animal care. The injured and orphaned animals under care are treated and rehabilitated, and released back into the wild. See black bears, wolves, caribou, elk, wood bison, moose and many other species native to Alaska. Learn about Alaska's wildlife and meet Alaska's "locals" before they are reintroduced to the wild.

Resurrection Bay Wildlife Cruise (Seward) Soak in the stunning views on a coastal cruise on the Kenai Peninsula. Enjoy the rich history of Resurrection Bay while viewing the jagged cliffs, seabirds, marine wildlife, and alpine glaciers, including the magnificent Bear Glacier. The narrated 4 ½ hour journey travels past glaciers and lush forests, the natural habitat of orcas, sea otters, and bald eagles. You'll travel to Fox Island, a remote and mountainous island nestled in Resurrection Bay to savor a delicious buffet-style lunch of wild Alaska salmon and prime rib.

Alaska SeaLife Center (Seward) Get up-close and personal with puffins, octopi, and sea lions, while learning about Alaska's diverse marine life and ecosystem at Alaska's only public aquarium and ocean wildlife rescue center. Meet marine mammals and learn about their habitats from knowledgeable animal care staff. The Alaska SeaLife Center contributes to the scientific understanding of marine mammals, birds, and fish in the arctic and subarctic through its research facilities, animal collection, and specialized staff.

SETTLE INTO THE INTERIOR.

Cozy fireplaces, rushing rivers, wilderness trails at your doorstep, and spectacular views — our lodge selection reflects the Celebrity Cruisetours commitment to providing the finest accommodations available in areas of breathtaking natural beauty, while keeping you close to Alaska’s unique communities. The lodges, many locally-owned, embody the character of the natural landscape and the people who inhabit it, with access to Alaska’s rich cultural and culinary scenes. At these Alaska properties, you can enjoy an afternoon wilderness hike, bask in a saltwater pool, sit by a soaring fireplace, enjoy fresh Alaskan seafood or unwind over a glass of wine beside Alaska’s mighty rivers.

SEWARD WINDSONG LODGE

Just outside the city of Seward, travel down the winding road to Exit Glacier and you’ll find your retreat in the heart of the Kenai Peninsula, Seward Windsong Lodge. The towering mountains, fragrant spruce trees and the rush of the Resurrection River will awaken your senses on arrival. The Roadhouse Restaurant offers spectacular views of the Resurrection River Valley and cuisine that’s certain to impress.

DENALI PARK VILLAGE

Set on the banks of the Nenana River and nestled in a lush forest of spruce trees, Denali Park Village is just minutes from Denali National Park Visitor Center, and the untamed wilderness beyond. Unwind over a glass of wine as the Nenana River rushes by, admiring the breathtaking natural beauty of the area on an outdoor deck. Take a leisurely stroll on trails surrounding your lodge. Or, embark on an adventurous hike on the property’s more rugged trails. With incredible views of the Alaska Range, and its location in the heart of the Alaskan interior, Denali Park Village offers spectacular access to the natural beauty of Denali National Park.

TALKEETNA ALASKAN LODGE

Talkeetna Alaskan Lodge is the sole Talkeetna property that boasts breathtaking views of Denali and the Alaska Range. Sit by a soaring fireplace built from the rocks of the Matanuska River, as clouds dance around Denali’s towering summit, or enjoy a leisurely hike on the surrounding trails. The lodge offers ease of access to Talkeetna’s log cabin cafés, gold-rush-era historic district, and Main Street, where you can meet the aviators and adventurers who call the town home.

PIKE’S WATERFRONT LODGE

Nestled on the historic banks of the Chena River, Pike’s Waterfront Lodge offers scenic views, with access to downtown attractions, like the Museum of the North. Built from the ground up by Alaskan native Lloyd Pike, Pike’s Landing was developed from the original log structure that existed in 1959. Fairbanks locals pride themselves on their independence and endurance, and the family-run lodge reflects this industrious Alaskan spirit with works by Alaskan artists and a greenhouse that supplies Pike’s kitchen with fresh vegetables all summer long. Meander the Chena riverfront and enjoy drinks and dinner on the lively outdoor patio during the long evenings under the midnight sun.

Day 8—Friday | Seward

- Meet your Tour Director in Seward and explore the city before embarking on the Kenai Fjords National Park Cruise. Marvel at the park's abundant wildlife and glaciers on a 100-mile round-trip fully-narrated adventure.
- From 5:30 p.m., Seward is yours to discover. You can find stalwart locals at Seward's watering holes, where you can savor fresh Alaskan seafood, filleted and flayed, straight from the ocean to your plate, or book an optional land excursion, such as a dog sled ride on a glacier.

Day 9—Saturday | Seward | Anchorage:

- The morning is yours to experience Seward before departing for Anchorage aboard your deluxe motorcoach. In Anchorage, visit the Alaska Native Heritage Center and learn about the native cultures that call Alaska home.
- From 5:00 p.m., Anchorage is yours to discover. With moose known to pass through city neighborhoods, and even whales surfacing in the waters along the Tony Knowles Coastal Trail, Anchorage's long summer days mean more time to explore by day and sample the all-embracing culinary fare long into the evening.

Day 10—Sunday | Anchorage | Denali:

- Set off on a scenic drive to Denali, beginning in the morning.
- From 4:30 p.m., Denali is yours to explore. Book an optional activity, like fly-fishing for arctic grayling or rainbow trout, or explore the trails that surround your Alaskan Lodge.

Day 11—Monday | Denali | Fairbanks:

- Spend your morning immersed in the beauty of Alaska's natural landscape as you head deep into Denali National Park on the Tundra Wilderness Tour, after which you'll embark on a

luxurious journey aboard the Wilderness Express, a glass-domed traincar, to Fairbanks.

- From 8:00 p.m., Fairbanks is yours to discover. Book an optional land excursion like a flight to the remote wilderness community of Wiseman across the Arctic Circle, or relax at your Alaskan Lodge set on the banks of the Chena River.

Day 12—Tuesday | Fairbanks:

- After breakfast, you'll spend a fun-filled day in Fairbanks. Explore the city's natural beauty and landmarks on the Fairbanks City Tour, after which you'll cruise down the Chena River on the Riverboat Discovery sternwheeler.
- From 4:00 p.m., Fairbanks is yours to explore. Discover the city's gold rush roots and hardy locals on a midnight sun stroll, or consult with your Tour Director to book an optional land excursion.

Day 13—Wednesday | Fairbanks:

- Your Tour Director will see that you are transferred to the Fairbanks airport for your flight home.

Day 1-8—Cruise:

7-night sailing from Vancouver to Seward.

Day 8—Friday | Seward | Anchorage

- Board your deluxe motorcoach for a scenic drive to Anchorage, where you'll enjoy lunch on your own before visiting the Alaska Native Heritage Center to learn about Alaska's indigenous cultures.
- From 3:30 p.m., Anchorage is yours to explore. Visit the Anchorage Museum and see its extensive collections of native art and artifacts, before exploring the "big apple" of the north, under the late-evening sun.

Day 9—Saturday | Anchorage | Talkeetna:

- In the morning, set off on an exciting ride aboard the Wilderness Express, a glass-domed traincar, to Talkeetna.

- From 11:00 a.m., Talkeetna is yours to discover. Located literally at the end of the road, Main Street provides a place where you can mill with the hippies, aviators, and adventurers who call the town home.

Day 10—Sunday | Talkeetna | Denali:

- Explore the nature trails that surround the lodge in the morning, before boarding the luxurious Wilderness Express to Denali.
- From 3:30 p.m., Denali is yours to explore. Experience Denali's overpowering magnificence on a range of optional activities, from bush pilots taking you up into the skies, to leisurely hikes on quiet trails.

Day 11—Monday | Denali:

- In the morning, you'll venture deep into the impressive Denali National Park on the Tundra Wilderness Tour. Explore the area's lush landscape while searching for Alaska's wildlife.
- After your tour, Denali is yours to discover, with the hinterland open to bike, off-road, or hike.

Day 12—Tuesday | Denali | Fairbanks:

- Spend the morning exploring Denali on your own, or consult with your Tour Director to book

an optional land excursion. In the afternoon, board the Wilderness Express for a scenic journey to "Alaska's golden heart," the historic city of Fairbanks.

- From 8:00 p.m., Fairbanks is yours to explore. Discover the city's gold rush roots and hardy locals on a midnight sun stroll, or consult with your Tour Director to book an optional land excursion.

Day 13—Wednesday | Fairbanks:

- After breakfast, explore Fairbanks' natural sites and historic landmarks. Take in the beautiful landscapes cruising down the Chena River on the Riverboat Discovery sternwheeler and visit the Museum of the North.
- From 5:30 p.m., Fairbanks is yours to explore. Enjoy an optional, all-you-can-eat Alaskan-style meal before a musical comedy about the gold rush and founding of Fairbanks.

Day 14—Thursday | Fairbanks:

- Your Tour Director will see that you are transferred to the Fairbanks airport for your flight home.

FROM SNOW-CAPPED PEAKS TO COLONIAL CHARM.

Journey into the heart of Canada on a Canadian Rockies Cruisetour. From the colonial charms of British Columbia to the dramatic wilderness, alpine lakes, and snow-capped peaks of the Canadian Rockies, you'll enjoy some of Canada's most extraordinary destinations. Combine it with a 7-night Alaska sailing onboard the Celebrity Millennium, Celebrity Solstice or Celebrity Infinity for an unforgettable experience.

In Calgary, immerse yourself in big-city energy in the Rocky Mountain foothills. Deeper in the Rockies, Banff and Jasper sit within the boundaries of Canada's oldest and wildest

National Parks. In the heart of Banff National Park, the shimmering jade-green Lake Louise is the centerpiece of a dramatic alpine setting, complete with glacier-capped peaks. And in Vancouver and Victoria the breathtaking scenery surrounds garden sanctuaries and cultural attractions.

All Canadian Rockies Cruisetours are independent travel itineraries. They offer all the features of an organised group holiday with the freedom and flexibility to pursue your own interests and find your own style of adventure

Fairmont Hotel Properties

On a Canadian Rockies Cruisetour you'll stay almost exclusively at Fairmont Hotel & Resorts. From Loire Valley chateau, to a Scottish baronial, or a gentlemen's hunting lodge, each property is a reflection of its setting. The hotelier has thoughtfully restored these landmarks to their original glory and carefully upgraded them, so you enjoy the finest accommodations, with all the modern amenities.

VIA Rail

Embrace nostalgic period style and mid-century flair, with an overnight rail journey aboard VIA Rail's legendary train, 'The Canadian'. The route between Jasper and Vancouver offers daylight views of the mountains which you can take in from the domed cars, parlor cars and your own private cabin. Enjoy a comfortable slumber in the newly renovated cabins of the Sleeper Touring Class, and every trip includes both dinner and breakfast in the dining car where fine cuisine is prepared to order onboard.
